Dear Mr. Renner and Members of the Justice Committee:

October is National Domestic Violence Awareness Month and local community agencies, employers (including McLean County), community law enforcement agencies and many others will be hosting events promoting awareness that domestic violence is an issue in McLean County, and is indeed, everybody's business.

However, domestic violence is an issue that frankly, is difficult for people to discuss. That is why Wednesday, October 15, 2008, has been declared "It's Time to Talk Day" throughout Central Illinois. In workplaces, schools, homes, and other venues, people will be urged to take a moment to talk about this issue that affects the lives of so many. This "Day" will fall during October as "Domestic Violence Awareness Month."

This is the fifth year McLean County will participate in "It's Time to Talk Day." For the past three years we have been fortunate and thankful to receive resolutions declaring "It's Time to Talk Day" from the McLean County Board and we hope you will graciously consider our request again this year. Note that this year we are again asking you to consider a resolution that includes both "It's Time to Talk Day" and "Domestic Violence Awareness Month" and we are asking the City of Bloomington, Town of Normal, Illinois State University and Illinois Wesleyan University, Heartland Community College and Lincoln College to do likewise.

Attached is a draft resolution we would be honored if the Justice Committee would take under consideration to present to the County Board Chair for signature. I will be present at the September 2, 2008, meeting to answer any questions you may have.

Thank you in advance for your kind consideration of this request.

Sincerely,

Kimberly K. Wells
Executive Director

TASK FORCE 6
AGREEMENT # 406020
EXHIBIT A: PROGRAM NARRATIVE

I. SUMMARY OF PROGRAM

Task Force 6 is a multi-jurisdictional drug enforcement unit comprised of officers from the Illinois State Police, McLean County Sheriff's Department, Illinois State University Police Department, DeWitt County Sheriff's Department and Clinton Police Department. Task Force 6 is the only narcotics unit serving DeWitt County and rural McLean County. While the Bloomington Police and Normal Police have narcotics units, Task Force 6 provides ongoing assistance to these agencies working both in conjunction with these agencies and independently within the metro area of Bloomington and Normal. Task Force 6 remains the primary drug enforcement unit servicing the campus of Illinois State University which has a student population of 20,000. The population of DeWitt and McLean counties is approximately 167,000 residents. Task Force 6 is located in Normal near the population center of the Central Illinois area.

Task Force 6 strives to improve the quality of life for residents of McLean and DeWitt Counties via aggressive narcotics enforcement. As Task Force 6 is the only narcotics unit servicing the rural areas of these counties, Task Force 6 works closely with local law enforcement and communities to combat drugs in these smaller communities, including street level crimes. Task Force 6 narcotics enforcement operation also targets mid-level and large-scale wholesale narcotics distributors. Task Force 6 remains the primary major case investigative unit for complex, long term investigations for DeWitt and McLean counties and has a history of success in dismantling organized criminal drug enterprises. Federal funding has made the overall success of Task Force 6 possible by providing for training, supplies, contractual obligations and communications equipment such as Nextel phones. Federal funding has also provided for much needed administrative assistance to hire an office manager/asset forfeiture coordinator.

Task Force 6 continues to lease office space in Normal. At this time, it is anticipated that Task Force 6 will be forced to move due to the current facility lacking available parking. The building was partially sold to a business with several employees and the new owners are accorded the majority of the current parking spaces as they have the most square footage of the building. No government agencies in the local area have enough office space to accommodate Task Force 6 which forces Task Force 6 to continue to lease office space. Task Force 6 will continue to require federal funding in order to maintain office space for its operations. Although the move is anticipated within the Grant #406020 reporting period, Task Force 6 has not yet identified a new facility, nor obtained a lease agreement to calculate what the expense of the new facility will be.

II. REVIEW OF PROGRESS

Grant # 405220 listed the following goals, objectives, and performance indicators.

GOALS, OBJECTIVES, & PERFORMANCE INDICATORS *(The following goals, objectives, and performance indicators are for the 405220 Agreement)*

Goal: Combat illegal drug activity in rural communities.

Objective 1: Conduct a minimum of 2 Parolee Compliance Checks and or Fugitive Apprehension details per year in order to develop intelligence, cultivate police informants and establish liaisons with local law enforcement agencies by including them in the details conducted.

* No Parolee Compliance Checks have been conducted during this grant reporting period. One of the assigned Task Force 6 Inspectors was compromised during an undercover operation in which he was the Undercover Officer making hand to hand drug purchases. The defendant later explained that he recognized the officer from a previous Parolee Compliance Check in DeWitt County. Due to officer safety concerns, Task Force 6 has elected to not conduct these details.

On December 19, 2007, Task Force 6, in conjunction with the Bloomington Police Department and U.S. Marshals, conducted a Fugitive Apprehension detail which netted 18 arrests of Task Force 6 cases.

March 2008 thru April 2008, Task Force 6, with the assistance of the DeWitt County Sheriff's Department, Clinton Police Department and U.S. Marshals conducted an ongoing fugitive apprehension detail related to a Task Force 6 drug conspiracy case which netted 15 arrests.

Objective 2: Conduct 10 public presentations targeted toward rural towns outlining the dangers and effects of illegal drug use. Provide attendees with contact information for Task Force 6 in an effort to develop stronger community ties.

On October 23, 2007, Task Force 6 conducted two (2) Drug Awareness/Danger presentations to Blue Ridge High School students in Farmer City, IL. Each group consisted of approximately 15-20 students.

On October 25, 2007, Task Force 6 conducted a Drug Awareness Presentation to a local community group at the Chateau Hotel in Bloomington with approximately 60 people in attendance.

On October 26, 2007, Task Force 6 conducted a Drug Awareness/Danger presentation to the entire 7th grade (approximately 55 students) at TriValley middle school.

On March 9, 2008, Task Force 6 conducted a Drug Awareness/Danger presentation to a group of local church members in Lexington, IL with approximately 50 people in attendance.

On March 13, 2008, Task Force 6 conducted two (2) Drug Awareness/Danger presentations to Blue Ridge High School students in Farmer City, IL. Each group consisted of approximately 15-20 students.

On March 18, 2008, Task Force 6 conducted a Drug Awareness Presentation to a local community group of parents in Farmer City, IL with approximately 10 people in attendance.

On April 29, 2008, Task Force 6 conducted a Drug Awareness Presentation to the ISU Agricultural Fraternity with approximately 30 persons in attendance.

Goal: To aggressively pursue the importation of drugs into or through the McLean/DéWitt counties area.

Objective 1: Conduct 10 package interdiction details at the local UPS, DHL and Fex Ex facilities.

On April 7, 2008, Task Force 6 conducted a package interdiction detail at the UPS facility in Bloomington, IL.

Objective 2: Conduct 6 proactive details at local truck stops and rest areas in an effort to identify and arrest those persons bringing drugs into the area of Task Force 6.

On October 9, 2007, Task Force 6 conducted a rest area interdiction detail at the Funk's Grove Rest Area on I-55 McLean County.

On October 17, 2007, Task Force 6 conducted a rest area interdiction detail at the Funk's Grove Rest Area on I-55 McLean County.

On October 23, 2007, Task Force 6 conducted a rest area interdiction detail at the Funk's Grove Rest Area on I-55 McLean County.

On October 30, 2007, Task Force 6 conducted a rest area interdiction detail at the Funk's Grove Rest Area on I-55 McLean County.

On April 23, 2008, Task Force 6 conducted a truck stop interdiction detail in the Bloomington, IL area.

On April 29, 2008, Task Force 6 conducted a truck stop interdiction detail in the Bloomington, IL area.

Goal: Combat the Cocaine/Cannabis problem in the Task Force 6 area.

Objective 1: Provide 80 hours of goal specific training to address the problem. At least 2 agents will attend advanced training in undercover officer operations and narcotics enforcement in order to learn how to better conduct these types of operations and investigations.

On November 3-7, 2007, a Task Force 6 Inspector attended a 40hour High Risk Raid Event Planning training course.

On November 3-7, 2007, two Illinois State Police Task Forcemembers attended a 32-hour Drug Unit Commander training course for a total of 64 hours training.

On February 29, 2008, seven Task Force 6 Inspectors attended an 8hour Hotel/Motel Interdiction and Consensual Encounter training course hosted by the IDEOA in Bloomington, IL.

On March 19-21, one Illinois State Police Task Force officer attended a 16hour Narco-Terrorism training course in Springfield, IL.

On April 28-30, 2008, two Task Force 6 Inspectors attended a 24hour Street Crimes training course at the Clinton Nuclear Power Plant in DeWitt County.

III. STATEMENT OF PROBLEM

Drugs and drug related crimes continue to remain a problem to the Task Force 6 area. The influx of drugs to the university campus area of Normal, IL, continues to generate a large number of cases and arrests. Task Force 6 has noted an increase in illegal prescription drug activity. Methamphetamine cases in the operational area of Task Force 6 including McLean and DeWitt counties are near non-existent.

Crack cocaine and cocaine continue to represent a large number of Task Force 6 cases. Task Force 6 has established a strong working relationship with many local police agencies that continues to improve to combat this problem. Task Force 6 enjoys the support of the smaller police departments, but, unfortunately these departments do not have the staffing to support assigning an officer to Task Force 6. If funding were available via expansion grant monies, it appears feasible that Leroy Police Department would become a member agency of Task Force 6.

Task Force 6 serves a large geographical area, that is predominately rural in nature. These rural areas are comprised of small towns with limited or no full time police departments. Many towns contract to the local Sheriff's Department for police presence. McLean County has indicated that obtaining funding/approval for an additional officer to be assigned to Task Force 6 is not possible at this time due to staffing shortages and other programs for which deputies are assigned to.

The Bloomington/Normal metropolitan area is currently experiencing an increase in gang activity and gang presence. It appears that gangs have infiltrated public housing and are devoting themselves to actively and openly recruiting new members. Bloomington/Normal is experiencing a surge in gang crime activity, including narcotics sales and usage. Task Force 6 is working with these local

agencies and the McLean County Prosecutor's Office in an attempt to curb the unlawful sale of drugs and remove these offenders from the area as a result of aggressive investigation of these subjects and their successful prosecution and sentencing.

Task Force 6 continues in the attempt to work with local shipping facilities including DHL, Fed Ex, and UPS to address the unlawful importation of drugs utilizing these shippers. UPS has not been cooperative with Task Force 6 in regards to active package interdiction and detail scheduling. Task Force 6 continues efforts to implement ongoing package interdiction but this will take some time.

The local agencies in rural Illinois just do not have the manpower to support their own narcotics units. In order to maintain narcotics enforcement in the areas of McLean and DeWitt counties, continued federal grant funding is necessary for the continued operation of Task Force 6. Should Task Force 6 be forced to disband, criminal drug activity in these rural areas would thrive virtually unchecked by law enforcement.

Task Force 6 continually seeks opportunities to establish contacts within the community by conducting public presentations and by offering investigative assistance to local agencies and child protection agencies. Conducting drug awareness presentations continues to be one of the goals for Task Force 6, largely due to the positive feedback received and occasional intelligence and drug tips received as a result of speaking to community groups.

IV. GOALS, OBJECTIVES, & PERFORMANCE INDICATORS (The following goals, objectives, and performance indicators are for the new 406020 Agreement.)

Goal: Combat illegal drug activity in rural communities.

Objective 1: Conduct 25 Proactive Investigative Details targeting suspected cultivated cannabis growers in the McLean/DeWitt County area that have been indicated on intelligence databases as having grow equipment purchases.

Performance Indicator: The number of cultivated cannabis details conducted and investigative cases opened. This information will be collected by the Inspectors conducting the details and forwarded to the Task Force 6 Commander for compilation.

Objective 2: Conduct 10 public presentations targeted toward rural towns outlining the dangers and effects of illegal drug use. Provide attendees with contact information for Task Force 6 in an effort to develop stronger community ties.

Performance Indicator: The number of presentations conducted.. This information will be collected by the presenters and forwarded to the Task Force 6 Commander.

Goal: To aggressively pursue the importation of drugs into or through the McLean/DeWitt county areas.

Objective 1: Conduct 10 package interdiction details at the local UPS, DHL and Fex Ex facilities.

Performance Indicator: The number of package interdiction details conducted. This information will be collected by Task Force 6 Agents conducting the details and reported to the Task Force 6 Commander.

Objective 2: Conduct 6 proactive details at local truck stops and rest areas in an effort to identify and arrest those persons bringing drugs into the area of Task Force 6.

Performance Indicator: The number of training hours. This information will be collected by the Task Force 6 Commander

V. PROGRAM STRATEGY

The Task Force 6 Policy Board, consisting of the Chief Law Enforcement Officer (or his/her designee) from each participating agency and the Task Force 6 Commander, will oversee the operations of the unit and make reports to the Authority as required. The Policy Board will have the responsibility for directing the operation of the Task Force including:

- A. Approving a budget prepared by the Commander.
- B. Prescribing financial procedures.
- C. Setting investigative priorities and targets.
- D. Establishing rules and guidelines for operations by Commander and staff.
- E. Receiving and causing to be investigated, complaints of misconduct by any member of the task force staff.
- F. Appointing or dismissing a Policy Board Director upon a vote of all policy board members.
- G. Meeting monthly (preferred), and at least quarterly and maintaining minutes of those meetings which include the votes of the policy board on all decisions.
- H. Approving reports submitted to the Authority.

Members of the task force will remain employees of their home agency and will be expected to comply with the rules of that agency, those of the Task Force, and of the Illinois State Police. To ensure adequate staffing for investigations, vacations and leaves will be approved by the Task Force 6 Commander prior to approval by the home agency. All officers assigned to the Task Force will complete a basic narcotic investigation course of no less than 40 hours as soon as the course becomes available after their assignment to the unit.

The Task Force 6 Commander will administrate and direct the day to day operations of the unit, with the assistance of the Task Force 6 Field Supervisor. Task Force 6 will investigate narcotics activity, and suppress such activity using all means available to the unit and its personnel. Typically, this has meant conducting covert operations targeting mid-level and large scale distributors. These covert operations, backed up by advanced surveillance techniques and aggressive intelligence gathering has produced results.

Task Force 6 will continue to provide ongoing drug awareness and drug recognition training to community civic groups, high schools, colleges and universities, in addition to governmental agencies including Probation Officers in the Task Force 6 area. These operations, diligently applied, will ensure that Task Force 6 combats illegal drug usage from prevention efforts as well as the enforcement efforts. Task Force 6 will continue package interdiction activity striving toward the goal of becoming the premier package interdiction team in the Central Illinois area. Proactive details in area truck stops and rest areas work toward preventing the importation of drugs into and through the Central Illinois area served by Task Force 6 as well as serving to protect citizens from other crimes due to increased police presence. Task Force 6 is concentrating efforts to attack narcotics activity in the rural areas to address citizen concerns and complaints. Through the proactive details conducted in McLean and DeWitt counties, Task Force 6 hopes to develop intelligence and cultivate confidential sources to assist drug enforcement efforts. However, Federal funding of our operations remains critical to our success.

The operation of Task Force 6 is contingent upon Federal Funding. Federal funding provides Task Force 6 with: a facility (including expenses related to the operation of the facility); Office Manager; Contractual items including cellular telephones; Travel monies to train Agents; and Commodities in order for Task Force 6 to operate. Nextel phones provide instant contact with undercover officers to warn them of impending danger, along with secure and inconspicuous communications for surveillance and other tactical operations. Training for Inspectors, including basic and advanced undercover, tactical/surveillance, and interdiction school is vital for officer safety and for achieving a high level investigative results. Federal funds assist Task Force 6 with acquiring needed commodities such as film, tapes, batteries, gas, oil, and maintenance costs for our surveillance vehicles.

The Office Manager ensures our agents spend less time in the office, and more time in the field. Our Office Manager types reports, transcribes court ordered overhears, maintains the case file system, compiles and maintains task force equipment inventory, answers phones, types correspondence, and assists the Commander administratively as required. The Office Manager also performs Asset/Forfeiture duties that were previously contracted to an outside source. This resulted in a savings of approximately \$8,000.00 by combining these 2 positions.

The 2007 annual report of your facility showed a substantial disparity between training hours and days between the law enforcement officers and the corrections staff. Additional training opportunities are recommended for the corrections staff.

Your office should be commended in regard to meeting and/or exceeding the mandated suicide prevention/mental health issues training.

Our Office of Jail and Detention Standards is available for consultation should you desire. You may reach the office at 217/588-2200, extension 4212.
